

Fox C-6 Community Outreach presents:

SCIENCE CAMP

Rockport Elementary

1/2/19 – 1/4/18

Time: 6:15am – 6:15pm

Grades 2 – 6

Cost: \$100.00

This advanced science camp includes a variety of stimulating science explorations and experimentation's for your child. Led by Ms. Tack, a certified educator for Middle School Science and Selena Williams-Wood, an AES aide, the students will be given the opportunity to go in depth on subjects such as space, engineering and nature to further learning of the world around them. Students will be performing their own experiments as they learn about chemical reactions and engineering concepts by building rockets and volcanoes. This three day camp is sure to keep these students excited about science. For more information contact: tackt@foxc6.org.
